THE DISCOURSE ON THE ESSENCE OF THE WISDOM GONE BEYOND (Only available in English)

Thus I have heard; “Once the Blessed One was dwelling in Rajagriha on Vulture’s Peak, together with a great assembly of monks and Bodhisattvas.

At that time, the Blessed One was totally absorbed in the concentration that examines all phenomena, called Profound Illumination”. And at the same time, the Noble Avalokiteshvara, the Bodhisattva Mahasattva, was engaged in the profound practice of the Wisdom gone beyond, analysing the five aggregates, by nature empty.

Then, through the inspiration of Buddha, the Venerable Shariputra spoke to the Noble Avalokiteshvara, the Bodhisattva Mahasattva, saying, “How should those of good family learn, who wish to follow the profound practice of the Wisdom Gone Beyond?”.

Thus he spoke, and the Noble Avalokiteshvara, the Bodhisattva Mahasattva, replied to the Venerable Shariputra saying, “Oh Shariputra, whatever son or daughter of good family wishes to follow the Profound Practice of the Wisdom Gone Beyond, should look at it like this, analysing the five aggregates, by nature empty:

Form is empty, emptiness is form. Emptiness is no other than form; form is no other than emptiness. In the same way, feeling recognition, karmic formations and consciousness are all empty. Therefore, Shariputra, all phenomena are empty without characteristics. They are unborn and unceasing; they are neither impure nor free from impurity. They neither decrease nor increase.

There are none of these, all the way up to there is no old age and death, nor is there

destruction of old age and death.

Thus, there is no suffering, no cause of suffering, no cessation of suffering and no path. There is no wisdom, no attainment and no non-attainment. Therefore, Shariputra, because there is no attainment, all Bodhisattvas hold to the Wisdom gone beyond, and because there is no obscurity of mind, they have no fear. Passing utterly beyond falsity, they reach beyond the bounds of sorrow. All the Buddhas who dwell in the three times, by relying on the Wisdom Gone Beyond, fully and clearly awaken to unsurpassed, most perfect and complete Enlightenment.

Therefore, the mantra of the Wisdom Gone Beyond, the mantra of great insight, the unequalled and unsurpassed mantra, the mantra that calms all suffering should be known as the truth; for there is no deception. The mantra of the Wisdom Gone Beyond is proclaimed:

TA YA THA OM GATE GATE PARAGATE PARASAGATE BODHI SOHA

(Gone, Gone, Gone Beyond, Gone Completely Beyond, Awakened, So Be It)

Oh Shariputra, this is how a Bodhisattva Mahasattva should learn the profound Wisdom Gone Beyond.”

Then the Blessed One arose from that concentration and praised the Noble Avalokiteshvara, the Bodhisattva Mahasattva, saying, “Very good, very good, Oh son of good family. It is exactly like that. The profound Wisdom Gone Beyond should be practised exactly as you have said, and then the Tathagatas will rejoice.” When the Blessed One had said this, the Venerable Shariputra, the Noble Avalokiteshvara, that whole gathering, and the world with its gods, men, anti-gods and spirits, their hearts full of joy, praised the words of the Blessed One.

So ends the Noble Discourse on the essence of the Wisdom Gone Beyond.

The Three Principles of the Path by the Noble Tsong kha pa (transl. by I. Durovic) – (Only available in English)

I prostrate to the Noble Gurus !
The meaning of the essence of all of the teachings of the Conquerors,
The Path praised by the holy Children of the Conquerors,
And that gateway for the fortunate desiring Liberation
I will explain as best I can.

Those who do not lust after the happiness of existence and,
By putting effort into making leisure and endowment meaningful,
Rely on the path which delights the Conquerors,
Those fortunate ones should listen with a pure mind.

Without pure Definite Emergence, there is no means
To pacify the striving for the happy fruits of the ocean of existence.
Inasmuch as the embodied are totally fettered by
The desire for existence, initially you will search for Definite Emergence.

Leisure and endowment is hard to find and life does not last,
By habituating the mind, turn away from the futilities of this life.
Reflecting over and again on the infallibility of causality and on the
sufferings of cyclic existence,
Turn away from the futilities of future lives.

If, through such habituation,
Longing for the marvels of cyclic existence does not arise for even an
instant and
If the mind striving for complete Liberation arises day and night,
At that point, Definite Emergence has been born.

However, should that definite emergence not be upheld
By the Perfect Mind [of Bodhicitta], inasmuch as it will not become the
Cause of the perfect bliss of Enlightenment,
The intelligent generate the supreme Mind of Enlightenment.

Carried away by the flow of the four raging rivers
Tightly bound up by the fetters of karma hard to loosen,
Ensnared in the iron net of self-grasping,
Totally obscured by the great darkness of ignorance,

Wandering in boundless existence, life after life,
Tormented uninterruptedly by the three sufferings
Upon reflecting upon the predicament of mothers who were in such a
situation,
Generate the Supreme Mind [of Bodhicitta] !

Since one who is not endowed with the wisdom realizing the mode of
abiding,
Albeit having become accustomed to definite emergence and Bodhicitta,
Will be unable to sever the root of existence,
Strive at means to realize interdependence !

Whoever sees that the causality of all phenomena of cyclic existence and
Nirvana
Is never deceitful and
Has destroyed the targeted object and
Has entered the path which pleases the Buddhas.

For as long as the two-fold understanding of
Appearances as non-deceitful interdependence and
Assertionless emptiness
Appear separate, for so long has the thought of the Sage not been realized!

Eventually, when they are no longer posited separately but simultaneously
And through merely seeing interdependence as non-deceitful,
Definite ascertainment destroys all of the modes of apprehension of
objects,
Analysis of the view has been led to fruition.

Moreover, when appearance dispels the extreme of existence,
Emptiness dispels the extreme of non-existence and emptiness
Is understood in the manner of dawning as causality,
One will not longer be ravaged by the view of the extremes.
Upon having realized the essence
Of such Three Principles of the Path,
Dwell as a hermit, oh Child, and having generated the force of enthusiasm,
Swiftly attain your permanent goal !

*The above was addressed by the glorious Bhikshu Lobsang Dragpa, great in
learning, to Ngawang Dragpa, Lord of Tsago.*

The Praise in Twenty One Homages

OM Homage to the Venerable Arya Tara
Homage! Tara swift heroic
Eyes like lightning instantaneous
Sprung from op'ning stamens of the
Lord of the Three Worlds' tear-born lotus.

Homage! She whose face combines a
Hundred autumn moons at fullest
Blazing with light-rays resplendent
As a thousand star collection.
Homage! Golden blue one, lotus
Water-born, in hand adorned.
Giving, effort, calm, austerities,
Patience, meditation Her field.

Homage! Crown of Tathagatas
She who goes in endless triumph
Honoured much by Conqu'rors' Offspring.
Having reached ev'ry perfection.

Homage! Filling with TUTTARA,
HUM, desire, direction and space.
Trampling with Her feet the Sev'n worlds
Able to draw forth all beings.

Homage! Worshipped by the All Lords,
Sakra, Agni, Brahma, Marut.
Honoured by the hosts of spirits,
Corpse-raisers, gan-dhar-vas, ya-ksas.

Homage! With Her TRAT and PHAT sounds,
Crusher of foes' magic diagrams.
Putting Her feet left out, right back,
Blazing up in raging fire-blaze.

Homage! TURE, very dreadful.
Destroyer of Mara's champions,
She with frowning lotus visage
Who is slayer of all enemies.

Homage! She adorned with fingers
At Her heart, in Three-Jewel mudra
She with universal wheels adorned,
Warring masses of their own light.

Homage! She of Great Joy shining,
Diadem emitting light-wreaths.
Mirthful, laughing with TUTTARE.
Subjugating maras, devas.

Homage! She able to summon
All earth-guardians and their trains.
Shaking, frowning, with her HUM-sign
Saving from ev'ry misfortune.

Homage! Crown adorned with crescent
Moon, all ornaments most shining.
Producing, from Amitabha
In Her hair-mass, always much light.

Homage! She mid wreath ablaze like
Eon-ending fire abiding.
Right stretched, left bent, turning glad ones'
Troops of enemies destroying.

Homage! She who smites the ground with
Her palm and with Her foot beats it.
Frowning, with the letter HUM the
Seven underworlds She conquers.

Homage! Happy, virtuous, peaceful.
She whose field is peace, Nirvana
With that having OM and SVAHA
Of the great downfall destroyer.

Homage! Of those glad at turning
Tearing foes bodies asunder
Liberating with HUM mantra
Words-arrange of the ten syllables.

Homage! Swift One. The foot-stamper
With for seed the letter HUM's shape.
She who shakes the triple world and
Meru, Mandara and Vindhya.

Homage! Holding in Her hand the
Deer-marked moon, of deva-lake form.
With twice-spoken TARA and PHAT
Totally dispelling poison.

Homage! She whom god-host rulers
Gods and Kinnaras do honour.
She whose joyful splendour dispels
Armoured ones' bad dreams and conflicts.

Homage! She whose eyes are bright with
Radiance of sun or full moon.
With twice HARA and TUTTARE
Driver out of chronic fever.

Homage! Full of liberating
Power by set of three Realities.
Crushing crowds of spirits, yaksas
And corpse-raisers. Supreme! TURE.

*This is a praise of the root mantra
And a twenty-one fold homage.*
